5.6 (i) Patrol members are not permitted to drive the ATV unless they have been assessed as competent by the Gear Officer and hold a valid driver's license. Patrol members are not permitted to drive the Club 4WD vehicles unless they hold a valid driver's license and permission is granted.

5.7 PATROL EQUIPMENT

5.7 (a) Patrol Equipment shall only be used for its intended use.

5.7 (b) The Gear Officer is responsible for ensuring the Patrol Equipment is ready for use before Weekend Patrols commence.

5.7 (c) The Vice Patrol Captain is responsible for ensuring the Patrol Equipment is ready for use before, during and after their Patrol.

5.7 (d) The Vice Patrol Captain must ensure any Patrol Equipment Registers are completed after every Patrol, e.g. Radio Logs.

5.7 (e) The Vice Captain must report any Patrol Equipment maintenance issues.

5.7 (f) The Patrol Equipment can be generally described as, but not limited to, Patrol Shelter, Flags, Radios, Rescue Boards, Rescue Tubes, Board Stands, siren and the like.

5.8 PATROL UNIFORM

5.8 (a) The approved patrol uniform must always be worn when engaged in a Club Rostered Patrol or other Life Saving activity approved by the Life Saving Committee.

5.8 (b) Patrol Uniforms should not be worn outside of the club/patrolling area unless it is for the purpose of travelling to or from patrol duties or on official club, SLSWA or SLSA duties.

5.8 (c) The Patrol Uniform Consists of

- Patrol Skull Cap, secured under the chin.
- Patrol Cap worn on the head.
- Club Bathers or Black Bathers
- Patrol Top
- Patrol Shorts
- Footwear where applicable
- SLSA Approved Reflective Vest, where applicable

5.8 (d) Where appropriate, approved SLSA personal protective equipment should be utilized as provided for specific tasks.

5.8 (e) Personnel should take appropriate sun precautions.

5.8 (f) The Club provides the members' initial Patrol Uniform after completing their appropriate SLSA Award. Replacement Uniforms are available from the Clothing Office. Old uniforms must be returned to the Club.

5.8 (g) Inappropriate clothing shall not be worn. Only The Patrol Captain, or Patrol Officer or the Life Saving Director can determine if clothing is inappropriate. Their decision is final.

5.9 ROSTERED PATROL ATTENDANCE & PROXIES

5.9 (a) All Rostered patrol members are required to personally attend their Rostered Patrols or arrange for a suitably Qualified replacement (Proxy) to attend on their behalf.

5.9 (b) Patrolling members are responsible for checking their Patrol Roster (Roster available on Club Web Site) and deciding if available for patrolling on their designated dates or organising substitutes.

5.9 (c) Members not able to make their designated patrols should notify their Patrol Captain of their unavailability and then arrange a suitable substitute, preferably 7 days in advance. Refer to the Club Web site for assistance on how to arrange for a Proxy.

5.9 (d) The Proxy should have the same or higher SLSA Awards as the Rostered Member and commit to attending your full Patrol.

5.9 (e) Failure to attend your Rostered Patrol and not have organized a suitable Proxy will cause that member to be "in arrears" (Hours Down) of Rostered Patrol Hours equal to the hours not attended. This can become cumulative if more than one Rostered Patrol is missed with no Proxy.

5.9 (f) Members may make up their "Hours Down" by personally attending

- Another Rostered Patrol, but not as a Proxy for a Member of that Rostered Patrol and or
- Providing Life Saving Services at a Board Endorsed Water Safety Event and
- Be at the start and or finish of the Rostered Patrol or
- Complete the full Roster of the Water Safety Event

5.9 (h) Patrol Hours accrued when doing a Proxy for another member will not reduce any personal patrol hour arrears, however, will count towards your full year personal Patrol attendance.

5.9 (i) Members are encouraged to attend other Rostered Patrols as a volunteer or provide Life Saving Services at any Board Endorsed Water safety Event. Hours completed will be added to the member's full year Personal Patrol attendance.

5.9 (j) Members cannot use any previously accrued Personal Patrol Hours gained by attending as a volunteer in a Rostered Patrol or providing Life Saving Services (water safety) at a Board Endorsed event, if the fail to attend any later Rostered Patrol without a Proxy they will be deemed "Hours Down".

5.9 (k) Members more than Eight (8) Hours Down will be contacted by the Patrol Officer to discuss their situation and may develop a plan or course of action to remedy the situation.

5.9 (l) Members more than Twelve (12) hours down will need to attend a meeting of the Life Saving Committee, which may impose sanctions on the member, including loss of some Club Privileges, but cannot suspend the member.

5.9 (m) Members more than Sixteen (16) hours down will be referred to the Board for its determination. The board may impose further sanctions or refer the member to the Club Discipline Committee.

5.9 (n) Members have the right of appeal to the Board about any sanction or loss of Club Privilege imposed on them. The Board's decision is final.

5.9 (o) If a Patrolling Member cannot perform any Rostered Patrol hours, they can apply to the Life Saving Committee for an exemption or change of Patrol Status. Members may appeal to the Board any decision by the Life Saving Committee regarding their application.

5.10 AUXILLARY PATROL

5.10 (a) The Constitution requires All Cadet, Active and Award members to personally perform Patrol Duties as laid down in these Bylaws.

5.10 (b) Rostered Patrol Duties is the standard method of members complying with that Constitutional Requirement; however, another option exists, application for Auxiliary Patrol Status.

5.10 (c) Auxiliary Patrol Status is available to members who due to personal circumstances cannot commit to Rostered Patrols. Each year Members must make an application to the Life Saving Committee to be added to the Auxiliary Patrol Register, stating their reasons why they cannot commit to Rostered Patrols. The Life Saving Committee will review the members' application and make a determination.

5.10 (d) The member has the right of appeal to the Board regarding the Life Saving Committee's decision. The Board's decision is final.

5.10 (e) Once added to the Auxiliary Patrol Register, Auxiliary team members can fulfill their personal Patrol Duties and Patrol Obligation by attending rostered patrols either by acting as a Proxy for others or on a voluntary basis and or providing Life Saving Services at a Board Endorsed Water Safety Event.

5.10 (f) By the end of the season Auxiliary Patrol Members are expected to have personally completed the minimum Patrol Hour Obligation as per para 5.11(b) and (c).

5.10 (g) Failure of an Auxiliary Patrol Member to meet the requirement of 5.10 (f) will see them removed from the Auxiliary Register and be banned from applying for Auxiliary Status for 12 months.

5.11 PATROL OBLIGATION

5.11 (a) Paras 2.4 (d), (e), (f) & (i) of the Constitution requires Cadet, Active and Award Members to fulfill their Patrol Obligations associated with their Class of Membership.

5.11 (b) The Life Saving Committee has determined the following requirements are to be met for Cadet, Active and Award Members to fulfill their Patrol Obligation. They all must

- Have personally attend or arranged a Proxy for all their Rostered Patrols for the season and,
- Have complied with these Bylaws and,
- Personally accumulated at least Twenty-Four (24) hours of personal attendance, subject to 5.11 (c).

5.11 (c) The accumulation of the Personal Rostered Patrol Attendance is to be made up as follows

- At least eight (8) hours accumulated from the Start of the Season until 31st of December and
- At least eight (8) hours accumulated from the 1st of January until the end of the season.

5.11 (d) All Cadet, Active and Award Members achieving their Patrol Obligation will be eligible to receive any Patrol Rebate as determined by the Club and may also receive any other recognition as set by the Board.

5.12 PATROL REQUIREMENT EXEMPTIONS

5.12 (a) All Patrolling Members have the right to apply in writing to the Life Saving Committee to be exempt from all or part of the Patrol Requirements of Para 5 of these Bylaws.

5.12 (b) The written application should identify the parts of Para 5 they cannot comply with and their reasons why. The Life Saving Committee may request further information and or your attendance at the review meeting.

5.12 (c) The Life Saving Committee shall review all applications for exemption and pass their recommendations through to the Board for its approval or otherwise.

5.12 (d) Members may appeal the Board's decision. The Board's decision on the appeal will be final.

5.13 APPLICATIONS FOR ACTIVE RESERVE & LONG SERVICE MEMBERSHIP

5.13 (a) All Patrolling Members have the right to apply in writing to the Life Saving Committee to have their Membership Classification changed to Active Reserve or Long Service.

5.13 (b) The written application for Active Reserve should identify the member's compliance with the conditions of Active Reserve Membership as detailed in para 2.4 (g) of the Constitution or the conditions of Long Service Membership as detailed in para 2.4 (h).

5.13 (c) The Life Saving Committee shall review all applications for Membership reclassification and pass their recommendations through to the Board for its approval or otherwise.

5.13 (d) Members may appeal the Board's decision. The Board's decision on the appeal will be final.

5.13 (e) Once membership reclassification has been granted by the Board, the member's Patrolling Obligations and Requirements change to the new Classification. For Active Reserve Membership they will be exempt from Patrol Duties, unless called upon by the Life Saving Director. For Long Service Membership they shall be exempt from all Patrol Obligations and no longer be required to perform Patrol Duties.

5.13 (f) Active Reserve and Long Service Mmembers may volunteer for Patrol Duties and or Water Safety Events but must meet all the minimum SLSA & SLSWA Qualifications as defined for Active Membership.

5.13 (g) As defined in para 2.4 (g) of the Constitution, application for Active Reserve must be done each year. If a member fails to re-apply each year their Membership Classification reverts to Active, and they must comply with all the requirements of Active Membership

5.13 (h) As defined in par 2.4 (h) of the Constitution, once a member has been reclassified as Long Service, they retain that classification going forward if they comply with all the obligations of a Long Service Member.

5.14 RISK MANAGEMENT

6.14 (a) Risk Management is a systematic method of identifying, analyzing, evaluating, and treating risks associated with our activities that will enable our Lifesaving Services to minimize injuries and losses and maximize opportunities.

5.14 (b) A hazard is a source of potential harm or a situation with a potential to cause loss and a risk is the chance of something happening that will have an impact upon outcomes in terms of consequences and likelihood.

5.14 (c) Risk Management is a multifaceted process of continual improvement, aspects of which are often best carried out by more than one person.

5.14 (d) The Patrol Captain or Vice-Captain should constantly assess risks to members and the public and implement the appropriate level of response. In particular, the level of risk for 'response' vs. 'recovery' operations should be carefully considered.

5.15 INCIDENT REPORTING

5.15 (a) All accidents and incidents to Patrolling Members, however minor, should be logged in the club's patrol log and on an incident report form.

5.15 (b) All accidents and incidents involving members of the public should be reported to the Patrol Captain as soon as practicable and be logged in the club's patrol log and on an incident report form.

5.15 (c) Where required by Law, accidents involving (for example) members of the public, damage to property, or injury to persons should be reported to the Police.

5.16 DEBRIEFING

5.16 (a) All Club members involved in rescues that involve fatalities or serious injury to patients shall attend a mandatory debriefing.

5.16 (b) Counselling by an independent counselling service will be offered. The Life Saving Director is responsible for arranging the Counselling.

5.16 ANTI SOCIAL BEHAVIOR

5.16 (a) Anti-Social behavior can include drinking in public, lewd acts, inappropriate language, or fights.

5.16 (b) It is not the role of club members to police such behavior. In the first instance ensure the safety of the patrol and public. Inform the Lifeguard / Surfcom, and in consultation with them determine if Council Rangers or the Police should be called.

PARA 6 EDUCATION REQUIREMENTS

6.1 GENERAL

6.1 (a) The Education Officer under the direction of the Life Saving Director has overall responsibility to deliver all SLSA Education Programs to new members, existing members, and the community.

6.1 (b) All Training Programs must be designed and implemented to ensure candidates for the various awards have the best opportunity to learn the appropriate skills and be able to correctly demonstrate them to SLSA Assessors.

6.1 (c) The Education Officer must ensure all programs are delivered fairly to all in a safe and healthy environment, treating all those involved with respect.

6.1 (d) The Education Officer must ensure members have pathways to become Trainers and Assessors.

6.1 (e) The Education Officer should encourage Existing Members to attain higher SLSA Awards.

6.1 (f) The Education Officer is responsible for the correct use and maintenance of all Training Equipment and Rooms.

6.1 (g) Once satisfied with their ability, the Education Officer will submit all the required forms for members to be Assessed by SLSA Assessors.

6.1 (h) The Education Officer must submit to the Club Administration all the required forms to confirm members have achieved their SLSA Annual Skills Maintenance requirements. The Club Administration shall enter results into the appropriate Data Base.

6.2 INFORMATION PACKS

6.2 (a) To ensure consistency of Education, high levels of teaching and learning, the Education Officer shall develop Award Specific Information Packs. These shall be developed by combining SLSA and SLSWA base reference Manuals, information obtained at the Annual SLSWA In Service Seminar(s) and via any memorandums issued by SLSA and SLSWA.

6.2 (b) To ensure consistency of assessment for the Annual Skills Maintenance checks the Education Officer shall develop a Skills Maintenance Information Pack, developed like the Award Specific Information Packs

6.2 (c) The Education Officer shall organize an in-service workshop for Club Trainers and Assessors to understand and comment on the Information Packs. The Education Officer should listen to all comments and may make any changes.

6.2 (d) Once developed the Education Officer shall submit the Award Specific and Skills Maintenance Information Packs to the Life Saving Committee for their approval or amendment.

6.2 (e) Once approved by the Life Saving Committee all Club Appointed Trainers and Assessors must train and assess members based on these Information Packs.

6.2 (f) Throughout the season Club Appointed Trainers and Assessors can recommend changes / updates to these packs for consideration by the Life Saving Committee.

6.2 (g) The Education Officer shall ensure all Trainers and Assessors have access to the Approved Information Packs.

6.2 (h) All Trainers and Assessors who wish to be part of The Club's training courses and Skills Maintenance (proficiency tests) need to agree to Train and Assess as per the details within these Information Packs.

6.2 (i) Failure of Trainers and Assessors to follow the agreed Information Pack methods will see them unable to train (or run Skill Maintenance checks) at Sorrento. On the first instance the Education Officer will meet with the trainer and discuss any concerns, with this action being reported to the Life Saving Committee. Continued failure to comply with the Information Pack will be referred to the Life Saving Committee for its action.

6.3 TRAINERS

6.3 (a) Each year The Education Officer in consultation with the Life Saving Committee shall nominate SLSA Award Trainers to the Board as per para 4.12.

6.3 (b) The Education Officer shall also identify those members wishing to gain their Trainers Certificate. They shall then be put into a training and mentoring role to develop into competent Trainers.

6.3 (c) Only Board Approved Trainers and developing Trainers can train any Club Member or member of the community.

6.3 (d) All Training shall comply with the Award Specific Information pack.

6.3 (e) When the Education Officer has a suitable number of candidates for an Award, The Education Officer appoints a Lead Trainer for each education course and works with that Lead Trainer to appoint a team of trainers that complement each other's skills and work well together

6.3 (f) Trainers should treat all candidates for Award fairly, in a safe and healthy environment, treating all those involved with respect.

6.3 (g) Trainers should recognize the different learning and skill levels of the candidates and deliver training in an appropriate way.

6.3 (h) The Education Officer should be advised when, in the opinion of the Lead Trainer, they believe the candidates are ready for assessment.

6.3 (i) When advised candidates may be ready for assessment, the Education Officer should confirm that assessment.

6.3 (j) If in the opinion of the Education Officer, the candidates are not ready for assessment, the Education Officer should advise the candidates of their reasons and work with the Lead Trainer to rectify any areas of concern.

6.3 (k) If in the opinion of the Education Officer the candidates are ready for Assessment, The Education Officer shall submit all the necessary requests and arrange for a SLSA Assessor to review the candidates.

6.3 (l) Trainers are to ensure all training equipment is fit for use and used as intended. Trainers must tag out any faulty equipment and report it to the Education Officer any faulty Equipment.

6.4 ASSESSORS

6.4 (a) Each year The Education Officer in consultation with the Life Saving Committee shall nominate SLSA Assessors to the Board as per para 4.13.

6.4 (b) The Education Officer shall also identify those members wishing to gain their Assessors Certificate. They shall then be put into a training and mentoring role with other Qualified Assessors to develop into competent Assessors.

6.4 (c) Only Board Approved Assessors and developing Assessors can Train any Club Member or member of the community.

6.4 (d) All Training shall comply with the Award Specific Information pack.

6.4 (e) Board Approved Assessors conducting Award Specific Training must deliver that training in accordance with para 6.3.

6.4 (f) When a Club member is appointed to Assess candidates for Award or Skills Maintenance Checks, only Board Approved Assessors can be appointed, else SLSWA appointed Assessor is to be used.

6.4 (g) When a Board Approved Assessor reviews a candidate's suitability to gain their award, that assessment must comply with the Award Specific Information Pack created in para 6.2

6.5 NEW MEMBER OBLIGATIONS

6.5 (a) Para 2.4 (c) of the Constitution requires New Members and existing members to gain the appropriate SLSA Award applicable to their Class of Membership within three months of joining or moving to a different Age Dependent Membership Classification, e.g. Cadet to Active 15 to 18 years.

6.5 (b) The Club Administrator is to provide a list of New Members and existing Members requiring membership specific award to the Education Officer. The Club Administrator must notify these Members of their Award Obligations, any Pre-Requisites, and how to contact the Education Officer.

6.5 (c) Members may make an application to the Life Saving Committee for an extension of time to meet their Membership Specific Award. The Life Saving Committee will advise the Board of their recommendation. The Board will endorse or otherwise that recommendation.

6.5 (d) Until that member achieves their Membership Specific Award they shall remain a Probationary Member.

6.6 ANNUAL SKILL MAINTENCE CHECK

6.6 (a) Paras 2.4 (d), (e), (f), (g) and (i) of the Constitution requires those members to pass the Annual Skill Maintenance Requirements of their Awards if they wish to maintain their Membership Classification, be able to provide Patrol Duties and compete in SLSWA and SLSA competitions.

6.6 (b) Para 2.4 (h), and (m) of the Constitution requires those members to pass The Annual Skills Maintenance Requirements of their award if they wish to compete in SLSWA and SLSA competitions.

6.6 (c) Members must pass this Assessment each year by the 31 of December, unless they have recently gained their award. The Life Saving Committee will determine whether they need to do the test or not.

6.6 (d) The Education Officer has overall responsibility to deliver these Assessments in line with the Information Pack created in para 6.2. and to ensure all records are updated as required.

6.6 (e) Those members as listed in Para 6.6 (a) who fail to pass this assessment by 31st of December will have their Membership Classification changed to Probationary, until they pass the assessment.

6.6 (f) Those members as listed in Para 6.6 (b) who fail to pass this assessment by 31st of December will be unable to compete in any SLSWA or SLSA competitions.

6.6 (g) Members are not compelled to be assessed by the Club and may arrange their own Assessment. In these cases, it is the member's responsibility to ensure they are assessed by an SLSA Assessor, by the 31st of December and they are responsible for lodging their records.

6.7 RISK ASSESSMENTS

6.7 (a) Before conducting any water-based training activities, The Lead Trainer is responsible to ensure adequate water safety is available before their training can start.

6.7 (b) Before starting any training sessions the Lead Trainer must

- Assess the Surf Conditions
- Assess the Environmental Conditions
- Determine the Swimming capabilities of all his trainees.
- The number of participants
- The Activity to be conducted and the equipment required to complete it.
- Water Safety Ratios as directed by SLSWA. and the Club
- Participants are wearing hi-vis vests and appropriate cap.
- Complete and lodge the SLSA Risk Assessment Form

6.7 (c) Once training has commenced The Lead Trainer must continually assess the Conditions and Environment and halt all activities if in their Opinion Conditions deteriorate.

6.7 (d) The Education Officer, Life Saving Director, Patrol Officer, or The Rostered Patrol Captain can call a halt at any time to any Training Activity, if in their opinion, conditions are not suitable for that group of candidates.

6.7 (e) Once halted, training can only recommence when the person who halted the training determines conditions have improved enough for training to recommence.

6.7 (f) All Risk Assessments must be recorded in the Risk Register.
